### Why are the amounts different?

To support teachers to deliver YPI during the continued uncertainty and challenges of COVID-19, a flexible program guideline was created with the understanding that many teachers had to deal with changed timelines, online and blended learning. Schools had the option to split their \$5,000 grant into one, two, or four equal parts (1 x \$5,000, 2 x \$2500, or 4 x \$1250) to provide additional flexibility during a challenging year.
